DECISION AWARDING ATTORNEYS' FEES AND COSTS¹

On November 10, 2014, the parties filed a stipulation of fact in which they agreed on an appropriate amount for attorneys' fees and costs in this case.

In accordance with the General Order #9 requirement, petitioner asserts that she did not incur any costs in pursuit of her petition. Petitioner submitted her application for attorneys' fees and costs to respondent, in which she requested \$5,114.06 in final attorneys' fees and costs. Respondent does not object to this amount. The undersigned finds this amount to be reasonable.

¹ Because this unpublished decision contains a reasoned explanation for the special master's action in this case, the special master intends to post this unpublished decision on the United States Court of Federal Claims's website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002). Vaccine Rule 18(b) states that all decisions of the special masters will be made available to the public unless they contain trade secrets or commercial or financial information that is privileged and confidential, or medical or similar information whose disclosure would constitute a clearly unwarranted invasion of privacy. When such a decision is filed, petitioner has 14 days to identify and move to redact such information prior to the document's disclosure. If the special master, upon review, agrees that the identified material fits within the banned categories listed above, the special master shall redact such material from public access.

Accordingly, the court awards **\$5,114.06**, representing reimbursement for attorneys' fees and costs. The award shall be in the form of a check payable jointly to petitioner and The Law Offices of Kevin A. Mack, L.L.C., in the amount of **\$5,114.06**.

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.²

IT IS SO ORDERED.
